WRITTEN APPLICATION:

Along with this completed Application Form, you must upload one document that includes the three components of the written application. Each portion of the application should be no more than one page (a four-page document total.) Each page should include your full name, major/dept, year of graduation, and page number in the top right header margin.

The document should be .pdf format. Please name your document using the following convention "Full Name – Major/Dept – LAUNCH COD-Year.pdf" and email it to

Monica_Vardeman@baylor.edu.

The Written Application Components:

1. **Resume: One page.**
2. **Statement of Interest: One page answering the following:**
 - A. **List and describe 3 specific ways that you feel your skill sets could help a client and give examples. The client could be a start up, emerging company, or an established company.**
 - B. **What are you hoping to learn or receive from your LAUNCH experience?**
3. **Shark Tank Analysis: Write a one-page analysis on one of the Shark Tank episodes listed below. Based on the business pitch, choose a problem you see and give your assessment and solution for the problem, including your rationale and supporting assumptions/data.**
